APPROVED FOR RELEASE 2025 UNDER EXECUTIVE ORDER 14176

19 November 1976

NOTE FOR: WGJ

SUBJECT : Justice Inquiry into FBI/King Matters

George,

Doesn't paragraph 4 of Barteaux's memorandum of 21 October indicate that there are more than 12 DDO documents? Where are we on those? Paul Haefner's memorandum raises the question of the possible need for Justice to interview Ober and perhaps other CIAers. ?
